

Ivan Burmistrov

CONTACT INFORMATION	Ural State University 620083 Yekaterinburg K-83, av. Lenina 51, Russia	Cell phone: +7 922 110 4052 Email: burmistrov.ivan@gmail.com
BIOGRAPHICAL DATA	Citizenship: Russia Data and place of birth: 22th December 1987, Sverdlovsk, USSR	
RESEACH INTERESTS	algorithms on compressed strings, theory of algorithms, computational complexity, I/O-efficient algorithms, combinatorics on words software engineering, parallel programming and parallel algorithms	
EDUCATION	Ural State University, Yekaterinburg, Russia Postgraduate student of Mathematics and Mechanics Department, 2011 – to present Advisor: professor Mikhail V. Volkov Ural State University, Yekaterinburg, Russia M. Sc., Mathematics (Algebra), 2005 – 2011 Speciality: discrete mathematics and cyberneticist Thesis topic: “Stright-line programs: a practical test.” Advisor: professor Mikhail V. Volkov	
CONFERENCES AND SCHOOLS	<i>Software People</i> , Moscow, 2011 <i>Computer Science Ekaterinburg Days</i> (CSEDays), 2011 <i>Microsoft Data Structures and Algorithms School</i> , St. Petersburg, 2010 <i>Russian Summer School on Information Retrieval</i> (RuSSIR), Taganrog, 2008	

INDUSTRIAL
EXPERIENCE

iCat project, .NET-developer, team-leader, April 2011 – to present
Designing high-loaded web-service with SOA.

Kontur PF Report project, .NET-developer, July 2009 – April 2011
(demo version: <http://demo.kontur-pf.ru/DemoLogin.htm>)
Developing high-loaded web-service with SOA.

UrbiTrac project, Java-developer, June 2007 – June 2009
Designing algorithms for approximate path search in huge road graphs
for a GPS-navigator.

OTHER
ACHIEVEMENTS

ACM ICPC World Championship bronze medalist (Harbin, China, February 2010)
